# Dog Walkers' Breakfast Woodgate

*If you would like to know more about your special migratory visitors please bring along your owner – All are welcome*

- WHAT:** Interested dogs and their owners are invited to a breakfast to learn about resident and migratory shorebirds that visit your area.
- WHEN:** Tuesday 16th March
- WHERE:** Theodolite Creek Car Park, Woodgate
- TIME:** 6:00am to 8:00am

Find out about living with shorebirds in your local area and learn about the different shorebirds roosting (resting) and feeding in Theodolite Creek and down into the Great Sandy Strait.

Did you know that up to 32 different species of shorebirds visit the region?

Some only weigh as much as two twenty cent coins and fly over 10,000km in their travels between their breeding ground and the Great Sandy Strait.

While they are here they are resting in order to build up their strength to make the long journey back to breed?

For more information or to register (for catering purposes) please call Sue Sargent at BMRG on (07) 4181 2999.

CARING  
FOR  
OUR  
COUNTRY

*This project is supported by the Burnett Mary Regional Group and Bundaberg Regional Council through funding from the Australian Government's Caring for our Country program.*
