Regional Ecosystem Training for Offsets Initiative - SEQ Bioregion

Queensland's regional ecosystem (RE) classification and framework is the basis for vegetation and biodiversity planning, management and conservation.

This specialised training initiative is being conducted in the South East Queensland region on 11th and 12th May 2010. There will be a comprehensive theoretical session followed by a intensive practical in-field component. The course will be delivered by ex-Herbarium specialist and experienced trainer, Andrew Franks (GHD).
